Calm (flat) formats also available in matte for both sizes***

The calm before, the misty buildup and the torrent of the storm's deluge are the inspiration for this modern collection of ceramic wall tile collection, Rainfall.

This deceptively simple, opaque glazed wall tile provides nearly infinite possibilities for combination between the matte or glossy flat formats and glossy textured fields.

The modern stretched subway size contrasts wonderfully with the naturally inspired textures and subtle earth toned palette to create an inviting yet refined backdrop for any space.
